The affiliate players may only be used if a team is unable to ice a team of eleven (11) players. When affiliate players are used, the total on the team cannot exceed eleven (11) players.

Rationale for Change: Added U9 to this regulation to allow U9 teams to do what U7 teams have been able to do. Both age divisions play in cross-ice or half-ice so therefore register very small teams in many cases. With kids being away, this allows teams to have enough players for all games.

Proposed Wording: For players not registered on U18 AAA categorized teams, or not affiliated to teams categorized as U18 AAA, the number of games an affiliate can play shall be unlimited.

Rationale for Change: Took out U18 AA from the 10 game AP limit. There are multiple U18 AA teams in the province that have very few options for APs. This allows those APs to be used more often when needed. The Hockey Saskatchewan Registration Committee reviewed 15 different concessions this past season from Female teams, mostly U18 AA, asking to be able to affiliate U15 girls. They needed more players to fill their roster. They didn't have Female U18 A or Female U15 AA options in their area. These girls needed to play many games as APs.
